Assessment

Financial

Q1. Case Manager: What is the patient's current healthcare coverage? (Check all that apply.)

- Private insurance
- COBRA
- Coinsurance
- Disability, specify: _____
- Medicaid
- Medicare (Part A, B, C, D), specify: _____
- Medigap (Medicare supplement Part F, G, K, L, M, N), specify: _____
- Medicare and Medicaid (dual eligible)
- Self-pay
- TRICARE
- Veterans Affairs (VA) benefits
- Workers' compensation
- Other, specify: _____
- None
- Unknown

Q2. Patient: Do you have any healthcare needs that you are unable to afford? (Check all that apply.)

- Assistive devices (eg, feeding tools, reacher) [B1] [P1]
- Copayment or deductible [B1] [P1]
- Doctor appointments [B1] [P1]
- Durable medical equipment (eg, wheelchair, walker, shower chair) [B1] [P1]
- Getting to appointments [B1] [P1]
- Important home modifications (eg, handicap accessibility, backup power supply) [B1] [P1]
- Medical bills [B1] [P1]
- Medical supplies (eg, urinary catheters, weight scale, blood pressure cuff) [B1] [P1]
- Medicines [B1] [P1]
- Paying for services to help with activities of daily living (eg, bathing, dressing) [B1] [P1]
- Therapy appointments [B1] [P1]
- Other, specify: _____ [B1] [P1]
- No
- Unknown [P1]

Q3. Patient: Do you have any other needs that you are unable to afford? (Check all that apply.)

- Food [B1] [P1]

- Housing (rent or mortgage) [B1] [P1]
- Telephone [B1] [P1]
- Transportation [B1] [P1]
- Utilities (electricity, natural gas, water, or sewage) [B1] [P1]
- Other, specify: _____ [B1] [P1]
- None
- Unknown [P1]

Q4. Case Manager: Are insurance benefits adequate for the patient's care needs?

- Yes
- No [B1] [P1]
- Unknown [P1]

Cultural

Q1. Patient: Were you born and raised in this country?

- Yes
- No [Q2] [Q3] [Q4] [Q5]
- Unknown

Q2. Patient: What country were you born and raised in?

- Specify: _____
- Unknown

Q3. Patient: When did you come to the United States?

- Specify: _____
- Unknown

Q4. Patient: How long have you lived in this country?

- Specify: _____
- Unknown

Q5. Patient: Are you a US citizen?

- Yes
- No
- Unknown

Q6. Patient: What is your ethnic background? (for example, Hispanic, Asian)

- Specify: _____
- Unknown

Q7. Patient: What is your religion? (for example, Catholic, Mormon, Jehovah's Witness)

- Specify: _____
- I don't practice any religion.
- Unknown

Q8. Patient: Are there medical treatments you do not want or that you are not supposed to get?

- Yes, specify: _____ [B2] [P2]
- No
- Unknown [P2]

Q9. Patient: Are there medicines you do not want or that you are not supposed to take?

- Yes, specify: _____ [B2] [P2]
- No
- Unknown [P2]

Q10. Patient: Are there any foods or drinks that you do not want or that you are not supposed to have?

- Yes, specify: _____ [B2] [P2]
- No
- Unknown [P2]

Q11. Patient: Are there any foods or drinks that you want or that you are encouraged to have?

- Yes, specify: _____ [B2] [P2]
- No
- Unknown [P2]

Q12. Patient: Are there any other considerations that you want to be included in your care plan?

- Yes, specify: _____ [B2] [P2]
- No
- Unknown [P2]

Q13. Patient: What is the highest grade level you completed in school?

- Specify: _____

Advance Directive

Q1. Patient: Do you have a written life plan document, such as an advance directive, living will, or power of attorney?

- Yes, specify: _____
- No, but I would like one. [Advance Care Planning](#)  CCG
- No, and I don't want one.
- Other, specify: _____
- Unknown [Advance Care Planning](#)  CCG

Social

Q1. Patient: Where do you live?

- Apartment
- House
- With family
- With friends
- Shelter
- Homeless
- Other, specify: _____

Q2. Patient: What is your relationship status?

- Married/partnered
- Separated/divorced
- Widowed
- Single
- Other, specify: _____

Q3. Patient: Who lives with you?

- Specify: _____
- No one
- Unknown

Q4. Patient: Do you work or go to school? (Check all that apply.)

- Work full-time
- Work part-time
- Retired
- Unemployed
- Disabled
- School full-time
- School part-time
- Other, specify: _____
- Unknown

Q5. Patient: Do you have any hobbies?

- Yes, specify: _____
- No
- Unknown

Q6. Patient: How do you get to your healthcare appointments? (Check all that apply.)

- I drive myself.
- A friend or relative takes me.
- Public transportation (paid)
- Transportation service (free service)
- Transportation service (paid-for service)
- I have no way to get to my appointments. [B3] [P3]
- Other, specify: _____

- Unknown [P3]

Q7. Patient: Do you have any problems because of transportation? (Check all that apply.)

- Missing healthcare appointments [B3] [P3]
- Cannot go to store and buy food [B3] [P3]
- Cannot get medicine [B3] [P3]
- Other, specify: _____ [B3] [P3]
- None
- Unknown [P3]

Caregiver

Q1. Case Manager: Based on your interaction with the patient, family, and caregivers, does it seem that there are cognitive problems affecting the patient's ability to understand instructions and process information about the patient's condition?

- Yes Cognitive Impairment  CCG
- No
- Unknown

Q2. Patient: Is there someone you talk to about your problems?

- Yes, name and relationship: _____
- No [B4] [P4]
- Unknown [B4] [P4]

Q3. Patient: Do you have someone to count on when you need help?

- Yes, name and relationship: _____
- No [B4] [P4]
- Unknown [B4] [P4]

Q4. Patient: Is there someone who can help you feel better when you are stressed, sad, or upset?

- Yes, name and relationship: _____
- No [B4] [P4]
- Unknown [B4] [P4]

Q5. Patient: Is there someone who accepts you for who you are, the good and bad?

- Yes, name and relationship: _____
- No [B4] [P4]
- Unknown [B4] [P4]

Q6. Patient: Is there someone you can count on to care about you no matter what is happening?

- Yes, name and relationship: _____
- No [B4] [P4]
- Unknown [B4] [P4]

Q7. Patient: Does your social support help you as much as you need? **QM**

- Yes
- No [B4] [P4]
- Unknown [B4] [P4]

Q8. Patient: Does someone help with providing care? (Check all that apply.) **QM**

- Activities of daily living (eg, bathing, dressing, toileting) [Q9] [Q10] [Q11] [Q12] [Q13]
- Child care or parenting [Q9] [Q10] [Q11] [Q12] [Q13]
- Emotional support [Q9] [Q10] [Q11] [Q12] [Q13]
- Financial support [Q9] [Q10] [Q11] [Q12] [Q13]
- Health self-care (eg, taking medicines, checking vital signs) [Q9] [Q10] [Q11] [Q12] [Q13]
- Instrumental activities of daily living (IADL) or everyday tasks (eg, shopping, meal preparation, transportation) [Q9] [Q10] [Q11] [Q12] [Q13]
- Other, specify: _____ [Q9] [Q10] [Q11] [Q12] [Q13]
- No help needed
- Unknown [Q9] [Q10] [Q11] [Q12] [Q13]

Q9. Patient: Who helps you? (Check all that apply.) **QM**

- Spouse or partner
- Parent or adult child

- Extended family (eg, aunts, cousins)
- Friends
- Neighbors
- Paid caregivers
- Other, specify: _____
- No one
- Unknown
- Not applicable

Q10. Patient: How much time does the caregiver help? (Check all that apply.) **QM**

- 24 hours a day Caregiver Strain Evaluation [CCG](#)
- 8 to 23 hours a day Caregiver Strain Evaluation [CCG](#)
- 1 to 7 hours a day Caregiver Strain Evaluation [CCG](#)
- 7 days a week Caregiver Strain Evaluation [CCG](#)
- 4 to 6 days a week Caregiver Strain Evaluation [CCG](#)
- 1 to 3 days a week Caregiver Strain Evaluation [CCG](#)
- Other, specify: _____ Caregiver Strain Evaluation [CCG](#)
- Unknown
- Not applicable

Q11. Patient: Does your caregiver have any problems? (Check all that apply.) **QM**

- Ability to provide care (eg, cannot do alone, has own health problems) [P5] Caregiver Strain Evaluation [CCG](#)
- Abusive or abuse history [Q16] [P5] [P6] Caregiver Strain Evaluation [CCG](#)
- Behavioral health diagnosis or history (eg, depression, substance misuse) [Q16] [P5] [P6] Caregiver Strain Evaluation [CCG](#)
- Employment (eg, work schedule conflicts) [P5] Caregiver Strain Evaluation [CCG](#)
- Family responsibilities (eg, caring for child limits caregiving support) [P5] Caregiver Strain Evaluation [CCG](#)
- Information needed on how to provide care [P5] Caregiver Strain Evaluation [CCG](#)
- Language barrier [P5] Caregiver Strain Evaluation [CCG](#)
- Legal problems [Q16] [P5] [P6] Caregiver Strain Evaluation [CCG](#)
- Self-interests missed (eg, hobbies, social events) [P5] Caregiver Strain Evaluation [CCG](#)
- Stress management ineffective (eg, overwhelmed) [P5] Caregiver Strain Evaluation [CCG](#)
- Other, specify: _____ [P5] Caregiver Strain Evaluation [CCG](#)
- No problems identified
- Unknown [P5] Caregiver Strain Evaluation [CCG](#)
- Not applicable

Q12. Patient: How is your caregiver doing with your care? **QM**

- Meets all needs
- Meets most needs [B5] [P5] Caregiver Strain Evaluation [CCG](#)
- Meets about 1/2 of needs [B5] [P5] [P6] Caregiver Strain Evaluation [CCG](#)
- Does not meet most needs [B5] [P5] [P6] Caregiver Strain Evaluation [CCG](#)
- Does not meet needs [B5] [P5] [P6] Caregiver Strain Evaluation [CCG](#)
- Unknown [P5]
- Not applicable

Q13. Patient: Is there anyone else who can help with your care? (Check all that apply.) **QM**

- Spouse or partner
- Parent or adult child
- Extended family (eg, aunts, cousins)
- Friends
- Neighbors
- Paid caregivers
- Other, specify: _____
- No one [B5] [P5] Community Resources [CCG](#)
- Unknown [P5]

Q14. Patient: Do you feel safe where you live? **QM**

- Yes
- No, because: _____ [B5] [P5] [P6]
- Unknown [P6]

Q15. Case Manager: Is there adequate, safe caregiver support? **QM**

- Yes
- No [B5] [P5]
- Unknown [P6]

Q16. Case Manager: Is abuse, exploitation, or neglect suspected? **QM**

- Yes [P6]
- No
- Unknown [P6]

Q17. Patient: Do you get any support from community resources (such as Meals on Wheels, support groups, or help from a social worker)?

- Yes, specify: _____
- No
- Unknown

Q18. Patient: Do you have any self-care needs that are not being met? (Check all that apply.)

- Affording medicine or supplies [B6] [P7] Financial Status and Benefits [CCG](#)
- Caregiver help needed [B6] [P7] Caregiver Resources Evaluation [CCG](#)
- Daily care activities (eg, bathing, dressing, feeding self) [B6] [P7]
- Home safety problems [B6] [P7] Safety [CCG](#)
- Managing meals (eg, cooking, shopping) [B6] [P7]
- Shopping activities (eg, grocery, pharmacy) [B6] [P7]
- Social support [B6] [P7] Social Support [CCG](#)
- Transportation for care [B6] [P7] Transportation [CCG](#)
- Trouble understanding how to do self-care [B6] [P7] Health Literacy [CCG](#)
- Other, specify: _____ [B6] [P7]
- No
- Unknown

Depression Screen

Q1. Patient: Has your mood changed over the past 2 weeks?(1)(2) **PHQ-2 Calculator QM**

- Yes [Q2]
- No
- Unknown

Q2. Patient: What changes in your mood have you had? (Check all that apply.) **QM**

- Change in usual activity (eg, working excessively, no longer talking to friends, or going on shopping sprees) Depression Screening, Adult [CCG](#)
- Down, hopeless, or depressed Depression Screening, Adult [CCG](#)
- Forgetting a lot or getting angry or frustrated Depression Screening, Adult [CCG](#)
- Little interest or pleasure in doing things Depression Screening, Adult [CCG](#)
- Quick mood changes Depression Screening, Adult [CCG](#)
- Other, specify: _____ Depression Screening, Adult [CCG](#)
- Not applicable

Quality Measures

- Disease Management Quality Measures:
 - Information provided from this question may be requested by various accrediting organizations.

Plan of Care

Barriers

- B1.** Financial barrier
- B2.** Cultural barriers
- B3.** Transportation inadequate
- B4.** Inadequate social support
- B5.** Limited or no caregiver resources
- B6.** Limited community resources

Problems

P1. Financial issues present

- **Goal:** Financial issues addressed(3)(4)(5) 
- **Interventions:**
 - **ASSIST:** Identifying patient's goal priorities, willingness/ability to achieve goals, and preferences for communication and follow-up
 - **ASSIST:** Goal setting that is specific, measurable, achievable, relevant, and with target completion time (eg, short/long-term, prioritized)
 - **ASSIST:** Identifying financial support programs(6)
 - **ASSIST:** Contacting and completing paperwork for financial support programs
 - **ASSIST:** Appointment scheduling
 - **EDUCATE:** Healthcare benefits and out-of-pocket expenses
 - **EDUCATE: Resources:**
 - Administration for Children & Families: www.acf.hhs.gov
 - Benefit Finder: www.benefits.gov
 - Centers for Medicare and Medicaid Services (CMS): www.medicare.gov/drug-coverage-part-d
 - Medicine Assistance Tool: <https://medicineassistancetool.org>
 - NeedyMeds. Find help with the cost of medicine: www.needymeds.org
 - Individual pharmaceutical company websites
 - **COORDINATE:** Financial assistance referral; examples include:
 - Area Agency on Aging
 - Disease advocacy
 - Financial counseling or assistance
 - Food banks or other sources for nutritional support and financial assistance
 - Government agencies
 - Legal aid
 - Long-term disability application
 - Medicaid application
 - Medicare application
 - Pharmacy assistance programs
 - Short-term disability application
 - Supplemental Security Income (SSI) or disability benefits application
 - Veterans Affairs (VA) benefits application
 - **COORDINATE:** Communication between care team members and care plan reconciliation(7)(8)(9)
 - **COORDINATE:** Follow-up for evaluation of financial issues, referral status, and need for further assistance(10)(11)

P2. Cultural barriers to healthcare present

- **Goal:** Cultural needs and practices incorporated into plan of care(12)(13)(14) 
- **Interventions:**
 - **ASSIST:** Identifying patient's goal priorities, willingness/ability to achieve goals, and preferences for communication and follow-up
 - **ASSIST:** Goal setting that is specific, measurable, achievable, relevant, and with target completion time (eg, short/long-term, prioritized)
 - **ASSIST:** Identifying ways that cultural needs and practices can be incorporated into patient's plan of care(15)
 - **ASSIST:** Appointment scheduling with provider to evaluate incorporation of cultural preferences into self-care plan
 - **EDUCATE:** Considerations of cultural practices on self-care, if appropriate
 - **COORDINATE:** Community services referral, as needed[A]
 - **COORDINATE:** Cultural practices incorporated into care planning across providers
 - **COORDINATE:** Home care referral, if indicated
 - **COORDINATE:** Social worker referral, as needed(16)
 - **COORDINATE:** Communication between care team members and care plan reconciliation(9)
 - **COORDINATE:** Follow-up contact to evaluate cultural practices and self-care plan, status of referrals, and need for further assistance(10)(11)

P3. Transportation inadequate for patient's needs

- **Goal:** Transportation needs adequately met(17)(18) 

- **Interventions:**

- **ASSIST:** Identifying patient's goal priorities, willingness/ability to achieve goals, and preferences for communication and follow-up
- **ASSIST:** Goal setting that is specific, measurable, achievable, relevant, and with target completion time (eg, short/long-term, prioritized)
- **ASSIST:** Identifying transportation resources and accessing as needed(13)
- **ASSIST:** Completing application forms for disability transportation, if needed
- **EDUCATE:** Type of transportation resources and how to access them(19)(20)
- **EDUCATE: Resources:**
 - Benefit Finder: www.benefits.gov
 - Findhelp: www.findhelp.org
 - United Way: www.211.org
- **EDUCATE:** When and how to get help if transportation continues to be a problem
- **COORDINATE:** Social worker referral, as needed(16)
- **COORDINATE:** Community services referral, as needed
- **COORDINATE:** Communication between care team members on how patient is transported to and from service visits(7)(8)(9)
- **COORDINATE:** Follow-up contact to evaluate transportation, referral status, and need for further assistance(10)(11)

P4. Social support needed

- **Goal:** Social support improved(21)(22) 

- **Interventions:**

- **ASSIST:** Identifying patient's goal priorities, willingness/ability to achieve goals, and preferences for communication and follow-up
- **ASSIST:** Goal setting that is specific, measurable, achievable, relevant, and with target completion time (eg, short/long-term, prioritized)
- **ASSIST:** Patient in establishment of a helpful social network(13):
 - Identification of individuals in support network
 - Engaging in social support system (gathering information, helping patient develop skills, encouraging shifts in perspective, and allowing patient to vent about issues)
- **EDUCATE:** Ways to access social support
- **EDUCATE:** Role of social support in quality of life (eg, improved self-image, coping)(22)
- **EDUCATE:** Patient's role in social support relationships (eg, be aware of how actions impact the feelings of family and friends)(23)
- **COORDINATE:** Behavioral health services referral, if indicated
- **COORDINATE:** Community services referral, as needed(24)
- **COORDINATE:** Social worker referral, as needed(16)
- **COORDINATE:** Support group referral, as needed(25)(26)
- **COORDINATE:** Support network contact (eg, church, social groups), as needed(13)
- **COORDINATE:** Follow-up to evaluate social support, referral status, and need for further assistance(10)(11)

P5. Caregiver assistance needed

- **Goal:** Caregiver assistance identified and provided(6)(27)

- **Interventions:**

- **ASSIST:** Identifying patient's goal priorities, willingness/ability to achieve goals, and preferences for communication and follow-up
- **ASSIST:** Goal setting that is specific, measurable, achievable, relevant, and with target completion time (eg, short/long-term, prioritized)
- **ASSIST:** Identifying additional caregivers to offer support
- **ASSIST:** Identifying caregiver alternatives (eg, adult day care, community support groups, respite programs)
- **EDUCATE:** Importance of patient performing own self-care as much as they are able
- **EDUCATE:** Caregiver support(28):
 - Identification of other caregivers
 - Consideration of adult day care or respite program
 - Self-care needs (eg, medical, behavior health, social support)
- **EDUCATE:** When and where to get help if caregiver support discontinued or insufficient
- **COORDINATE:** Home care referral, if indicated(29)
- **COORDINATE:** Respite care referral, as needed
- **COORDINATE:** Caregiver health service referral, as needed
- **COORDINATE:** Community services referral, as needed
- **COORDINATE:** Support group referral, as needed
- **COORDINATE:** Social worker referral, as needed(16)
- **COORDINATE:** Communication between care team members and monitoring caregiver status(8)(9)

- **COORDINATE:** Follow-up with patient and caregiver for evaluation of burden, status of referrals, identification of problems, and need for further assistance(10)(11)
- **SEND:** Caregiver tips 📄 (Spanish)
- **SEND:** Choosing a place to live 📄 (Spanish)
- **SEND:** Hospice care 📄 (Spanish)
- **Goal:** Caregiver education addressed(6)(30)
 - **Interventions:**
 - **ASSIST:** Identifying patient's goal priorities, willingness/ability to achieve goals, and preferences for communication and follow-up
 - **ASSIST:** Goal setting that is specific, measurable, achievable, relevant, and with target completion time (eg, short/long-term, prioritized)
 - **ASSIST:** Support system (eg, family, friends) identification, enlistment, and education(6)
 - **EDUCATE:** Information to help caregivers:
 - Long-term caregiving is a chronic stressor and may be associated with excessive caregiver burden and adverse impact on physical and emotional health.
 - Know and act on signs of depression in self and patient.
 - Disease process and management strategies
 - Expected benefits and side effects of medications
 - Importance of maintaining social contacts and support, and asking for help, as appropriate
 - Importance of prioritizing tasks to free up time to spend on their own needs. Encourage self-care.
 - Use and value of adult day care or respite programs
 - Other housing placement options
 - Stress management (eg, relaxation and coping techniques)
 - Seek help from religious affiliation, if applicable.
 - Seek healthcare for own medical conditions, as appropriate.
 - **COORDINATE:** Educational program referral for caregiver(8)
 - **COORDINATE:** Community services referral, as needed
 - **COORDINATE:** Follow-up on caregiver needs, referral status, and need for further assistance(10)(11)

P6. Personal safety risk present

- **Goal:** Safety issues identified and addressed
 - **Interventions:**
 - **ASSIST:** Identifying patient's goal priorities, willingness/ability to achieve goals, and preferences for communication and follow-up
 - **ASSIST:** Goal setting that is specific, measurable, achievable, relevant, and with target completion time (eg, short/long-term, prioritized)
 - **ASSIST:** Contact with legal authorities, as appropriate
 - **EDUCATE:** When and how to get help in unsafe situations
 - **COORDINATE:** Protective services or legal authorities, as needed
 - **COORDINATE:** Social worker referral, as needed(16)
 - **COORDINATE:** Home care referral, if indicated(27)
 - **COORDINATE:** Behavioral health services referral, if indicated
 - **COORDINATE:** Follow-up contact to evaluate safety, referral status, and need for further assistance(10)(11)

P7. Community resources needed

- **Goal:** Community resources identified and coordinated(27)(31)(32)📄
- **Interventions:**
 - **ASSIST:** Identifying patient's goal priorities, willingness/ability to achieve goals, and preferences for communication and follow-up
 - **ASSIST:** Goal setting that is specific, measurable, achievable, relevant, and with target completion time (eg, short/long-term, prioritized)
 - **ASSIST:** Appointment scheduling with provider for patient at risk of self-care problems or to support referrals to community services (eg, completing medical forms for transportation service)
 - **ASSIST:** Identifying available community resources and contacting for support(33)
 - **EDUCATE:** Types of community resources available(34)
 - **EDUCATE: Resources:**
 - Benefit Finder: www.benefits.gov
 - Findhelp: www.findhelp.org
 - United Way: www.211.org
 - **EDUCATE:** Role of community services to support self-care
 - **COORDINATE:** Home care referral, if indicated
 - **COORDINATE:** Community services referral, as needed

- **COORDINATE:** Support group referral, as needed
- **COORDINATE:** Social worker referral, as needed(16)
- **COORDINATE:** Follow-up to evaluate community resources, referral status, and need for further assistance(10)(11)

Evidence Summary

Quality standards: Standards indicate that program content should address psychosocial issues (eg, financial barriers) that may impede self-management. Programs should have a process for following up with patients on the status of referrals.(35)

Quality standards: Standards indicate that program content should address psychosocial issues (eg, cultural practices) that may impede self-management. Programs should have a process for following up with patients on the status of referrals.(35)

Quality standards: Standards indicate that program content should address psychosocial issues (eg, transportation) that may impede self-management. Programs should have a process for following up with patients on the status of referrals.(35)

Quality standards: Standards indicate that program content should address patient supports and psychosocial issues that may impede self-management. Programs should have a process for following up with patients on the status of referrals.(35)

Quality standards: Standards indicate that program content should address referrals to external resources that may support self-management. Programs should have a process for following up with patients on the status of referrals.(35)
