Assessment

Q1. Patient: The Health Insurance Portability and Accountability Act (HIPAA) requires that I speak to the right person. Please tell me your name, address or phone number, and birthday to verify that I am speaking to the right person.

- Verified
- Unable to verify
- Completed with patient
- Not completed with patient

Q2. Patient: I am calling to offer you case management services. Case managers help you with your healthcare plan, get information about your health needs, and can be a go-between for you, your different doctors, and other healthcare providers.

- Completed with patient
- Not completed with patient

Q3. Patient: This is a voluntary program, so you can refuse to enroll or stop using the program at any time. Do you understand what voluntary means?

- Yes
- No
- Unknown

Q4. Patient: Your case manager may have to share your healthcare information with other people, such as your doctors. Before your information is shared, you will be asked if this is OK. Do you understand your right to decide whom information is shared with?

- Yes
- No
- Unknown

Q5. Patient: You have the right to have input into this program. That means you and the case manager will work on the care plan together and you can agree or disagree with any of it. Do you understand your right to have input into your care management plan?

- Yes
- No
- Unknown

Q6. Patient: Do you consent to enroll in this program?

- Yes [P1]
- No, specify reason: _____ [Q9]
- Unknown [Q9]

Q7. Patient: Is there someone I have permission to share your medical information with, like a family member or caregiver?

- Yes [Q8]
- No
- Unknown

Q8. Patient: Whom may I share your medical information with?

- Name: _____
- Relationship: _____
- Phone number: _____
- Not applicable

Q9. Patient: Thank you very much for your time. May I contact you again to see how you are doing?

- Yes [P1]
- No

- Unknown [P1]

Plan of Care
